Please note that some HAVC electives may have pre-requisites that are not already satisfied by courses required in the major.

- All students admitted to a School of Engineering major, or seeking admission to a major, must take all courses required for that major for a letter grade.
- Courses in which you receive a grade of C-, D+, D, or D- earn credit toward graduation, but cannot be used to satisfy a major requirement or a general education requirement, and cannot satisfy a prerequisite for another course.
- The School of Engineering has different major declaration deadlines than the UCSC Academic/Administrative calendar. Our deadlines and process can be found on: http://ua.soe.ucsc.edu/declare
- Shaded boxes represent foundation courses. Major qualification requirements for this major can be found at: https://ua.soe.ucsc.edu/majorqualification
