

Propose!

You are not required to have your proposed major in myUCSC listed as Network and Digital Technology in order to declare the major. However, it is recommended

Being a proposed major allows students to:

- * be connected to advising
- * receive important communications
- * gain access to enrolling in some major courses that may be restricted to proposed majors.

To change your proposed major to a School of Engineering major:

Please visit <http://tinyurl.com/proposedbsoe>

Qualify!

Complete **36 credits** of major qualification coursework (listed below) no later than the end of your **5th quarter** at UCSC to declare.

•Major Qualification Courses:

MATH 19A
MATH 19B
AM 30 or MATH 23A
AM 10 or MATH 21
AM 20 or MATH 24
CSE 12/L
CSE 13S or CSE 13E
CSE 16
CSE 30
PHYS 5A/L or PHYS 6A/L
PHYS 5C/N or PHYS 6C/N

Earn at least a **2.3 GPA** in the major qualification courses. That's a C+ average!

Make sure to take all classes you are using for major requirements for a letter grade!

Declare!

Declare your major no later than your 6th quarter at UCSC.

- Visit <https://undergrad.soe.ucsc.edu/declare-your-major> to see the steps to the major declaration process.

Baskin School of Engineering declaration processes require an early start! Be sure to visit the website and start the declaration process within the **first 2 weeks** of the quarter you are declaring! *Don't wait for the deadline!*
